Sir:

Please find enclosed the following:

Request for Continued Examination (RCE) Transmittal (1 page). 1.

Applicants submitted a Petition to Withdrawal the above-identified U.S. patent application from issue after the payment of the issue fee on December 6, 2006. This Petition was granted on December 11, 2006. This Petition was made pursuant to 37 CFR §1.313(c)(1). It is respectfully submitted that the submission of a Request for Continued Examination (RCE) is not required in conjunction with 37 CFR §1.313(c)(1) in view of the alternative bases set forth within this rule.

Examiner Davis of the U.S. Patent and Trademark Office suggested in a telephone conversation on December 18, 2006 that the submission of an RCE was needed to continue prosecution of the application after granting of the referenced Petition to Withdrawal. While Applicants do not find basis for an RCE submission in 37 CFR §1.313(c)(1), in an effort to expedite prosecution of the subject U.S. patent application, an RCE is submitted herewith. Examiner Davis is invited to contact the undersigned patent attorney with any questions.

The Commissioner is hereby authorized to charge any fees associated with the filing of this correspondence to Deposit Account No. 50-0426.
